University Admit Eligibility Prediction

Understanding Issues Faced by Students during their Process of Applying to Universities

Empathising with students by focusing them and taking a view by putting us in their shoes

THINK AND FEEL?
what really counts, major preoccupations, worries & aspirations

- Am I capable and can I compete with people better than me
- Can I make it into the college of my choice
- Will I get the branch that I prefer
- Will my college help me to a great extent in future
- Fear
- Confused
- Happy
- What are the next steps that I should take
- Am I prepared with all necessary details and Certificates
- Will my parents and relatives feel happy with the college I get
- Will I get admission in a college with my school friends
- Will my efforts pay off
- What if I don't get into my dream college
- Will the college give a good career kickstart
- Did I do enough hard work

HEAR?
what friends say, what boss say, what influencers say
